

Introduction to Computer Programming

Welcome Back!

University of
BRISTOL

Second half of the term:

Building on the syntax fundamentals we studied in the first 5 weeks

- writing and using libraries of python code
- learning useful libraries for engineering and maths
- preparing for the assignment

Student survey

- thank you!
- pace
- interactive in class demos (open Spyder now!)
- half term quiz to check your progress
- use the links to extra questions on blackboard

Quiz
